### SUMMARY OF RESERVE FUND STUDY

The following is a summary of the	(specify class	ss of reserve
fund study) dated, prep	pared by	(name of
person conducting the reserve fund stud	<i>ly)</i> for	(name of
condominium corporation) (known as the	"Reserve Fund Study").	

Subsection 94 (1) of the Condominium Act, 1998, requires the corporation to conduct periodic studies to determine whether the amount of money in the reserve fund and the amount of contributions collected by the corporation are adequate to provide for the expected costs of major repair and replacement of the common elements and assets of the corporation. As a result, the corporation has obtained the Reserve Fund Study.

The estimated expenditures from the reserve fund for the next thirty (30) years are set out in the CASH FLOW TABLE. In this summary, the term "annual contribution" means the total amount to be contributed each year to the reserve fund, exclusive of The recommended annual contribution for interest earned on the reserve fund. ..... (set out the fiscal year following the year in which the study is completed, unless the contribution is to be increased in the current fiscal year, then set out the *current fiscal year*) is \$....., based on the estimated expenditures and the following:
